

Public Notice

NOTICE TO QUALIFIED CONTRACTORS

Miami-Dade County is soliciting interested contractors to register to participate and perform in Miscellaneous Construction Contract (MCC) Bids under the MCC 7040 & 7360 Plan projects. Contractual Opportunities are continuously available for all businesses located in Miami-Dade who are interested in doing business with the County. **REGISTERING WITH MIAMI-DADE COUNTY MUST BE DONE VIA MIAMI-DADE COUNTY'S AUTOMATED WEB-BASED VENDOR REGISTRATION PORTAL. Please visit the INTERNAL SERVICES DEPARTMENT (ISD) Vendor Services page at <http://supplier.miamidade.gov>, to enroll as a vendor.** If you have any vendor registration questions please contact Vendor Assistance at (305) 375-5773. The types of contracts available under the MCC Program are construction projects, facility repairs, neighborhood improvements, emergency repairs and maintenance work with a maximum value of \$5.0M; ORD 09-101. All capital departments are participating.

Additional opportunities are available through Weatherization Assistance Program (WAP) which enables low-income families to reduce their energy bills by making their homes more energy efficient. Funds are used to improve the energy performance of dwellings by families in need, using the most advanced technologies and testing procedures available in the housing industry. Measures to make homes more energy efficient include: replacement or installation of key components, installation of energy recovery ventilation systems including bathroom and kitchen exhaust fans and installation of whole mechanical exhaust systems to provide better indoor air quality, install attic insulation, install window solar films, repair or replace inefficient cooling units, repair or replace water heaters and address air infiltration with weather stripping, caulking thresholds, minor wall repairs, ceiling and floors, windows and doors.

All solicitations are available online at: <https://www8.miamidade.gov/Apps/ISD/DPMWW/SolicitationList.aspx>
For Miami-Dade County Legal Ads online: <https://www.miamidade.gov/global/navigation/legal-ad-index.page>

License Requirements - At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and Request for Price Quotation (RPQ) and Contract Documents, the Bidder and all its subcontractor must hold a valid, current, and active State and/or Miami-Dade County contractor's license consistent with the requirements of the Scope of Work.

AVAILABLE MCC 7360 PLAN – REQUEST FOR PRICE QUOTATION (RPQ)

1) Department of Transportation and Public Works– David Viaud-Telephone No.: (305) 375-5309.

RPQ No: 20230197-R - Biscayne Shores Pump Station Retrofit Nos. 109 and 110 and MIC Stormwater Pump Station Trash Rack Repair

DBE: 10.65%

ESTIMATED COST: \$2,929,897.00

LICENSE REQUIREMENT: General Engineering and General Building Contractor

SCOPE OF WORK:

Work under this Contract includes furnishing of all supervision, labor, materials, tools, equipment and performing all operations required to construct the Work in accordance with the Contract Documents.

Tasks to be performed includes, but is not limited to the following:

- The Biscayne Shores 109 and 110 Stormwater Pump Stations are located on NE 109 Street and NE 110 Street along Bayshore Drive. The retrofit project includes upgrades to both pump stations such as a new roof and floor on 110 pump house, new pumps and generators and replacement of the seawalls. Currently, both stations are tethered electrically to each other. The contractor will install all electrical components and supply FPL service to the newly independent station. The Contractor will install all other miscellaneous items as proposed in the contract plans.

- During the entire duration of construction, the contractor must provide and maintain the pumps necessary to continue the existing emergency pumping capabilities for the drainage system servicing the neighborhood.

- The Miami Intermodal Center (MIC) Stormwater Pump Station project is located at NW 25th Street and NW 39th Avenue within the roadway median area, in Miami-Dade County. This neighborhood includes mostly commercial and office developments.

- The proposed improvements will include the retrofit of the existing trash rack at the Miami Intermodal Center (MIC), Stormwater Pump Station, the preparation of the wet well structure as indicated in plans, furnishing and installing the trash rack, aluminum hatch, MOT, mobilization and other miscellaneous items necessary for the complete and satisfactory installation.

LOCATION OF WORK:

A. The location of work to be performed under the terms of this Contract shall be as follows:

1. South Bayshore Dr. between NE 109 Street and NE 110 Street.
2. At NW 25th Street and NW 39th Ave., Miami Intermodal Center (MIC).

B. The exact location and limits of construction are as shown on the Plans accompanying these Contract Documents.

EXPERIENCE:

Providing a detailed description of at least three (3) projects similar in detail to the Project's Scope of Work described in these Solicitation Documents and in which the Bidder's identified personnel is currently engaged or has completed within the past five years.

BID DOCUMENTS:

Bidding documents may be purchased from the Miami-Dade County Department of Transportation and Public Works, Capital Improvements Division, 111 NW 1st Street, 14th Floor, Miami, Florida 33128 for a non-refundable fee of Two Hundred Dollars (\$200.00) per each complete set of documents.
