### NOTICE OF 1ST PUBLIC HEARING OF THE 2026-2030 CONSOLIDATED PLAN, 2026 ACTION PLAN AND FUNDING AVAILABILITY, AS WELL AS CONTRACTOR REGISTRATION MEETING

#### 2026-2030 Consolidated Plan

In compliance with federal regulations under 25 CFR Part 91, the City of Orlando must develop and submit a five-year Consolidated Plan outlining its housing and community development priorities, based on an evaluation of neighborhood needs. This Plan will identify strategies to support low-and moderate-income residents, strengthen neighborhoods, and address the needs of individuals experiencing homelessness and those with special needs.

Along with feedback gathered through community surveys, this meeting provides an additional opportunity for residents to share their perspectives on housing and community development needs within the City of Orlando and to help shape the 2026-2030 Consolidated Plan.

Residents of the City of Orlando are encouraged to participate in this discussion about housing and community needs and the programs that may address them. Funding to support identified priorities is expected from the U.S. Department of Housing and Urban Development through the following programs: Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnerships Program (HOME), and Housing Opportunities for Persons with AIDS (HOPWA).

#### Action Plan FY 2026-2027 Funding Availability

The City of Orlando Housing and Community Development Department is anticipating an announcement from the U.S. Department of Housing and Urban Development regarding the Program Year (PY) 2026-2027 Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnerships Program (HOME) and Housing Opportunities for Persons with AIDS Program (HOPWA).
